

Extend East Los Angeles Hammer Attacks Information Reward

On March 25, 2016, two residents in East Los Angeles were the victims of two brutal hammer attacks near the intersection of Bonnie Beach Place and Triggs Street. The attacks occurred without provocation and appear to be random in nature. Detectives assigned to the case have received no viable clues regarding these incidents.

Investigators believe a reward would be appropriate in this case, and hope that by offering a reward, witnesses with information will be motivated to come forward to help apprehend and convict the suspect.

I, THEREFORE MOVE, THAT THE BOARD OF SUPERVISORS extend the reward in the amount of \$15,000 in exchange for information leading to the arrest and/or conviction of the suspect responsible for these heinous attacks.
